

Introduction for Preaching/Teaching Engagement

It is my privilege to introduce **Rev. Drew Gysi, M.S.B.**, a passionate and dynamic communicator of God's Word. Pastor Drew serves as the **Ministry Director at Life Institute**, where he equips churches nationwide with biblical financial stewardship principles. With **nearly 30 years of pastoral experience**, he has faithfully served in roles from **Youth Pastor, Executive Pastor and Senior Pastor**, where he shepherded congregations of all sizes.

Pastor Drew holds both a **Bachelor's and Master's degree in Bible from Philadelphia Biblical University** and has been **ordained twice**, bringing both scholarly depth and pastoral warmth to his teaching. His passion is to **see individuals and churches embrace generosity and solid biblical stewardship** for greater Kingdom impact.

In addition to his preaching and teaching ministry, Drew is the **co-host of The Stewardology Podcast**, where he helps believers connect **biblical wisdom with financial stewardship** in practical and meaningful ways.

Beyond ministry, Pastor Drew has been married for **39 years** to his high school sweetheart, Cheryl. Together, they enjoy serving at **Branch Life Church** in Pughtown, PA, where he leads a small group and serves as the **Deacon of Finance**. He is also a **dedicated husband, father, grandfather**, and an **avid enthusiast of cars**, classic cars, motorcycles, and home renovation projects.

Pastor Drew's life is guided by two key verses, **Jeremiah 29:11** and **Colossians 3:23**. Whether he is preaching, teaching, or fixing something in the garage, his mission remains the same—to **glorify God and make an eternal impact**.

Please join me in welcoming **Rev. Drew Gysi!**
